2008 NURSERY DISCOUNT PROGRAM

New England Wild Flower Society is pleased to include the following nurseries as part of our member nursery discount program. By special arrangement, these nurseries offer a 10 percent discount to Society members with the presentation of a valid Society membership card for each purchase of retail non-sale items.

Please check with the nursery for any restrictions that may apply. In most cases, member discounts cannot be combined with other discounts. For mail order, most catalog costs are redeemed by the nursery with your first order. To receive the discount on mail orders, please include a copy of your membership card with your order.

These discounts apply to personal memberships only, and do not apply to Garden Club/Nonprofit, Library, Group, and Group Plus Members.
